The **Belchertown (MA) Lions Club** will be returning to the Belchertown Town Common on **August 8th, 2026** (rain date: Aug. 9th) for its 3rd Annual Memorial Car Show…and it promises to be even bigger and better than ever!

We will continue with our **custom-made laser-engraved slate trophy plaques** with leather hanging straps—no two the same! We hope that your ride will take home one of our very unique Top 20, four specialty, or the Best in Show presentations!

Burgers, dogs, meatball grinders, fries, and canned soft drinks are available—along with a raffle table and a 50/50 raffle!

All vehicles are welcomed (with specialty awards for best motorcycle, truck, paint, and engine.)

Spectators get free admission! Participant parking on the grass: $20

NO PRE-REGISTRATION (So please don't be a victim of online pre-show registration scams!)

Registration begins at 9:00 AM at 28 Park St. on the Town Common. Judging continues until 1:00 PM—followed immediately by the raffle drawings and the awarding of trophies.

All proceeds will go to LOCAL charities including Veterans' Affairs, Senior Center, fuel assistance, Girl Scouts, Scouting America, high school scholarships, food pantries, etc.

More information and possible rain date updates can be found at
